

**KOKOMO BOWLING ASSOCIATION  
AVERAGES FOR THE 1991-92 SEASON  
LEAGUES SANCTIONED BY KBA  
LISTED BY BOWLING CENTER**

Listed on the next two pages are the Bowling Centers and the leagues in their establishments that were sanctioned by KBA. A two-letter code is assigned to each establishment, ( CC, EA, LE, LW ) and then a number 001, 002, 003, etc. to indicate a league bowling at the particular establishment: Thus LW001 would indicate Lowry Lanes West Slick Trick league. This code is used after the bowler's name in the average list to indicate the number of games and his average in each league in which he bowled at least 21 games.

Each sanctioned bowler is listed with his average of 21 games or more in all the leagues in which he participated. Any average of 21 games or more NOT INCLUDED in the Average List may be the result of failure by the league secretary to report them, inadequate identification of the bowler's name or social security number, or failure to sanction the bowler.

Also, if a bowler bowled Summer League ONLY, he will not be listed. If such an average is needed, please contact the City Association Secretary.

Thanks to all league secretaries for giving us their league averages for this season's yearbook.

Jack Bender, Secretary  
Kokomo Bowling Association
